OCTOBER 2017 WISH LIST

Thank you for your support in our mission of feeding the hungry. Last month, **September**, we fed **8,283 meals** to the hungry. We serve two hot nutritious meals a day, breakfast and lunch, five days a week, to those who are hungry. On the average, we are feeding 366 guests a day. We serve **ALL** who are hungry at no cost. All that we do is only possible because of the generosity of good people like you.
